Dear Mr. Schiller,

Thank you for your letter of the 18th April, 1964.

I am sorry to hear that you have not had a reply to previous letters and this may be due to the fact that we have not been able to cope with our regular work as the majority of our staff have been out on strike since the 1st. February.

We have however, been able to keep our radio and television services going and we are glad to know that you were able to pick up our signal sometime last year. If you do pick us up again, please let us know and we won't take so long to reply to your letter.

Thank you for your patience and for writing to us again.

Yours sincerely,

F.M. Needham
Director of Programmes & Production
